

Dear Parent/Guardian,

The Delaware Solid Waste Authority (DSWA) would like to invite your child to join the Trash Can Dan and the Clean Up Kids Club. This is an educational program that teaches children about important environmental topics such as Recycling, Composting, and Anti-Littering. This program allows children to learn about these topics while earning DSWA Recycling Points. These points will help your child to earn lots of cool prizes.

DSWA will need the below registration card completed and signed by a parent or guardian. Once you sign the card and return it to the school, each child will receive a Trash Can Dan and the Clean Up Kids Club Kit. This kit will include a storybook, magazine, sticker sheet, magnet, and lots of other fun stuff. This information is for DSWA only and enables each child to receive updated stories and materials. This program is free for all Delaware residents. If you have any questions, please contact DSWA's Citizens' Response Line at 1-800-404-7080, or visit www.dswa.com.

Thank you,

Clean Up Kids Club Registration Card
